Since he had credit card debt, I encouraged him to give me all the credit cards and I would pay his debt then close them all; however he said he would repay all of them, he only kept the card under the name TRAN, Tuyet and continued using it. Therefore, the debts built up to such a large amount that I could not repay them. Then he became quarrelsome and fought with me because of that.

This is from 2009.

Then in 2009, 2010, he had a quarrel with me because he was mad that I sent our kid to the babysitter without telling him, so when he went to pick up but could not. Upon arriving home, he screamed that I was lying to him and he banged the chair against the wall, forcing me to dodge and hit the wall, causing my chronic headache.

Tuyet had the advertising posters printed.

I had the posters printed for advertising the discount of 50% for artificial eyelash service without asking my husband's approval of the size, 9 x 12 [illegible]. After getting the prints and mailing the advertisement out, my husband got angry, became quarrelsome, dragged me to the parking lot in front of the salon and strangled me. My friend Cindy Nguyen was in the parking lot and witnessed this. She dissuaded, asking him to stop, otherwise she would call the police.

March 01-02, 2015, the most recent time I called Cindy on her cell, at 281.499.8669.

There were friends visiting the eyelash shop where my husband worked. My husband wanted me to come and clean up the shop then worked there. I had lots of work that day and was late in the cleaning. He angrily asked me why I had not cleaned up but instead having some taking a break instead. I said I was having a bad headache, for which he furiously banged three chairs to the wall and pushed all the chairs in the store.

** June 06, 2015, a niece came to the shop to sign contract for work on Mondays and Tuesdays.*

2010, He tracked me, & flattened my four tires because I was buying dinner for my kids at Pho Saigon on FM529 & HWY6.
